2.Users can choose their favorite NFT cards and purchase them in the secondary market. The purchase of NFT cards needs to be paid with BINGO.

NFT content explanation

Celebrity Card:

- 1.Number of celebrity card NFTs: Celebrity cards consist of a total of 32 teams. Each team has 27 players (including the coach). The total number of types of celebrity cards is: $32 \times 27 = 864$. The total circulation of celebrity cards is 500,000, which are divided into forwards, midfielders, defenders, coaches, and goalkeepers.
2. The rarity of celebrity cards : N.R.S. The weight of the corresponding prize pool is divided into $N=1, R=12, S=150$. According to the rules of Tomorrowland, users can obtain various prizes by collecting celebrity cards, participating in Staking and other activities. After the bonus is successfully claimed, the pledged celebrity card can be transferred back to the backpack.

BINGO card:

1. BINGO Card is only bind to wining prize, applying for Event Trigger ——1 BINGO redemption can only once trigger the event, there is no rarity of the difference. The total number of cards issued is 500,000. In short, when you participate in the match, you need to burn the BINGO card to receive the award.

2. Event triggering.

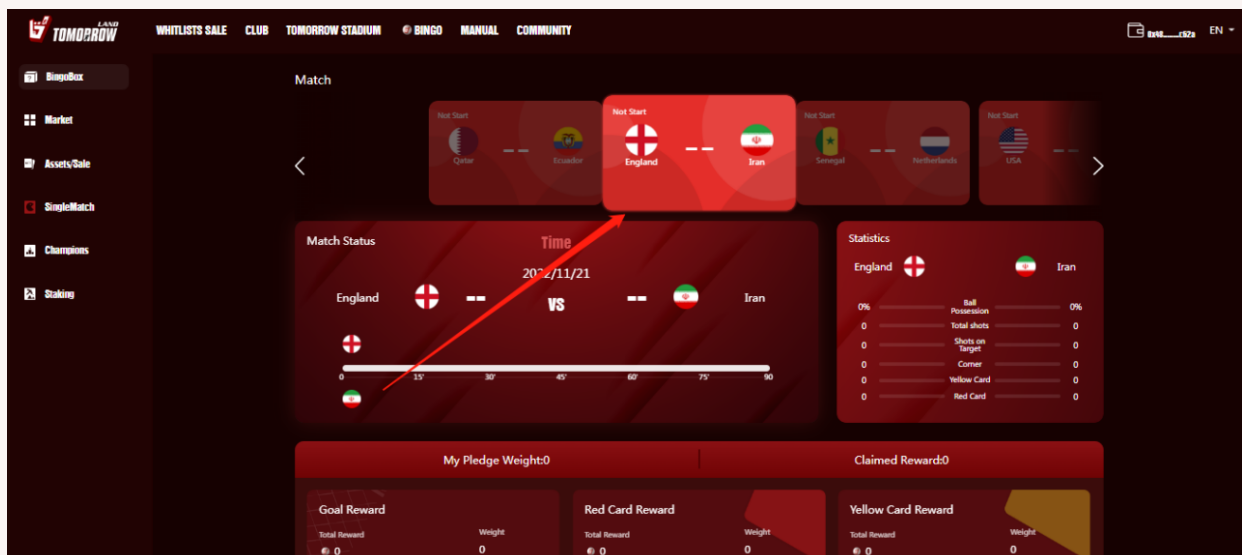

Goal Bonus – Use the player you think will score a goal NFT to participate. If he scores a goal, you need to spend BINGO card to receive the reward.

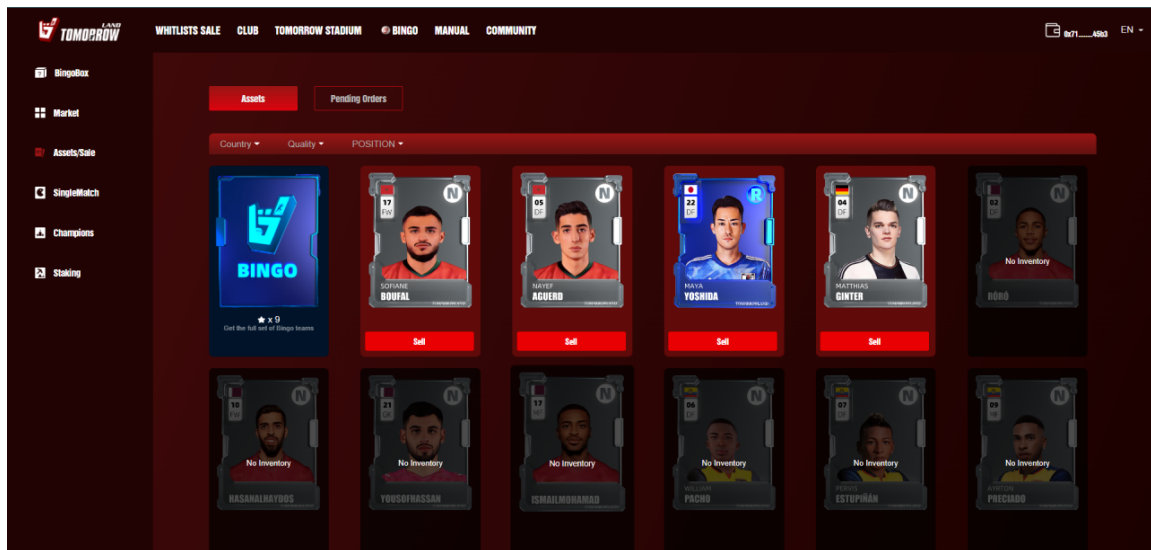

Yellow Card Award – Play with a player you think will receive a yellow card. If he gets a yellow card, you need to spend a BINGO card to receive the prize.

Red Card Bonus – Play with the player you think will receive a red card NFT. If he is penalized with a red card, you will need to spend a BINGO card to receive the prize.

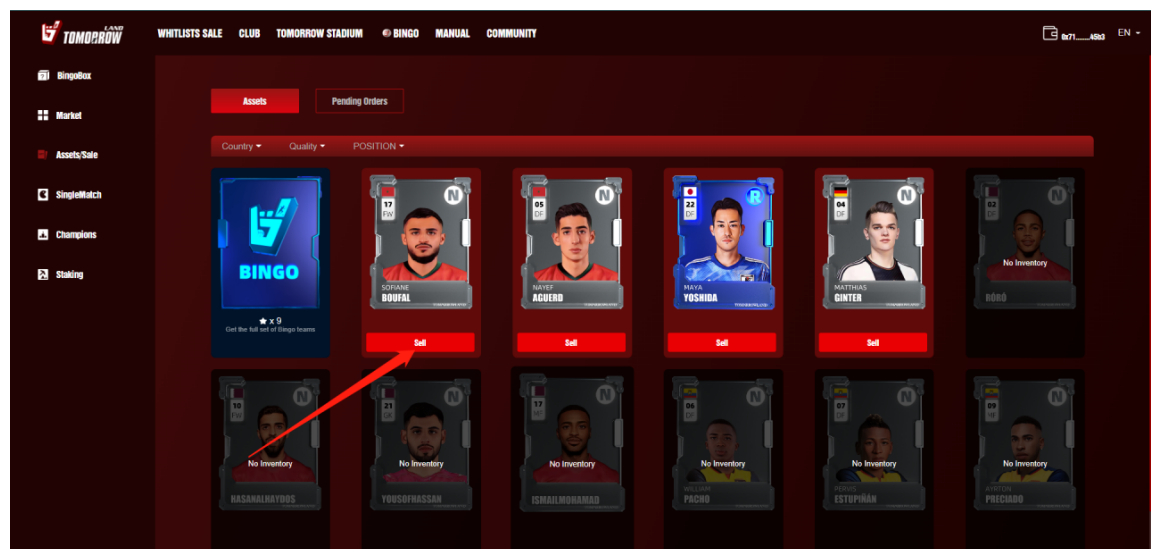

NFT card backpack:

1.Users can view their own NFT celebrity cards in their backpacks

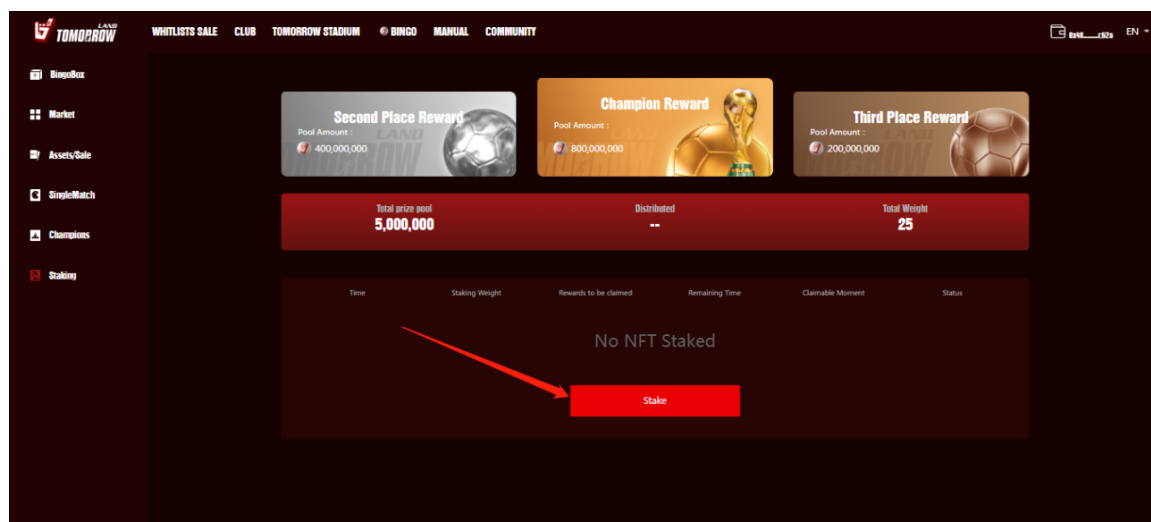

2. Selling NFT cards: Users can choose specified cards to sell. Click on the card to be sold and enter the amount (in BINGO) to sell.

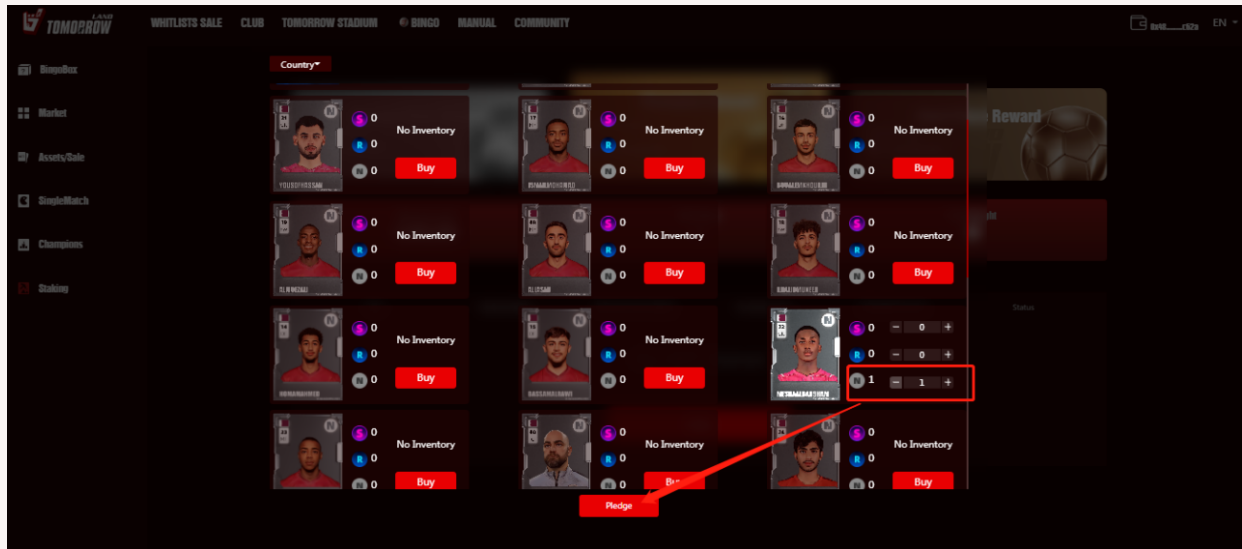

Gameplay introduction

1. Pledge

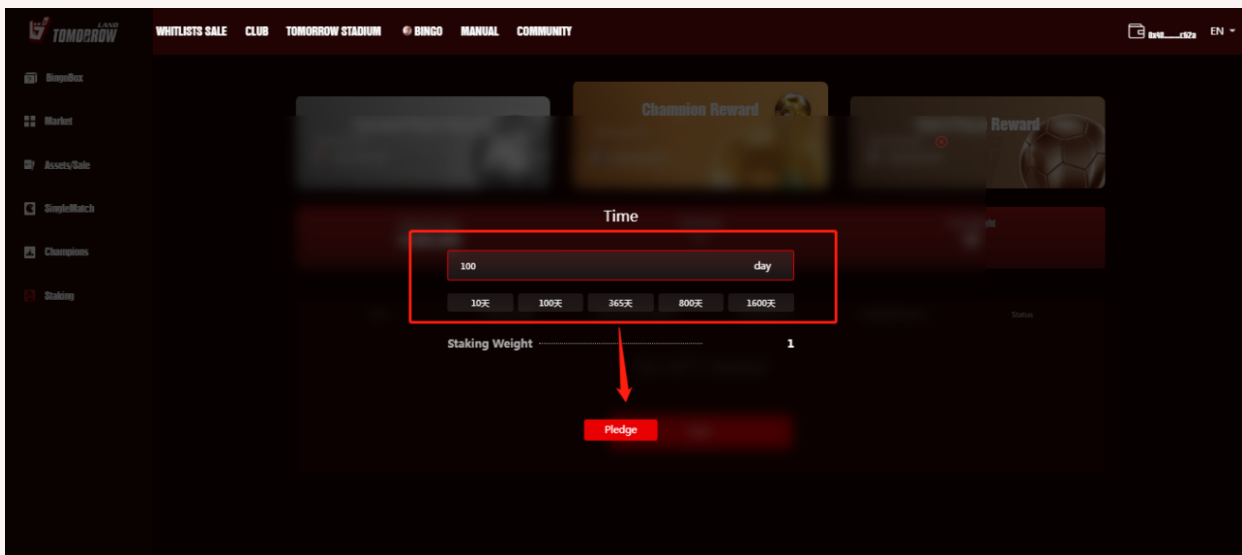

Click on the Staking page and select the NFT card to pledge. Users can choose the staking duration by themselves. When the pledge period expires, you can receive BINGO rewards and withdraw NFT cards. The income of pledge is distributed according to the weight of the total celebrity card.

3. Championship game

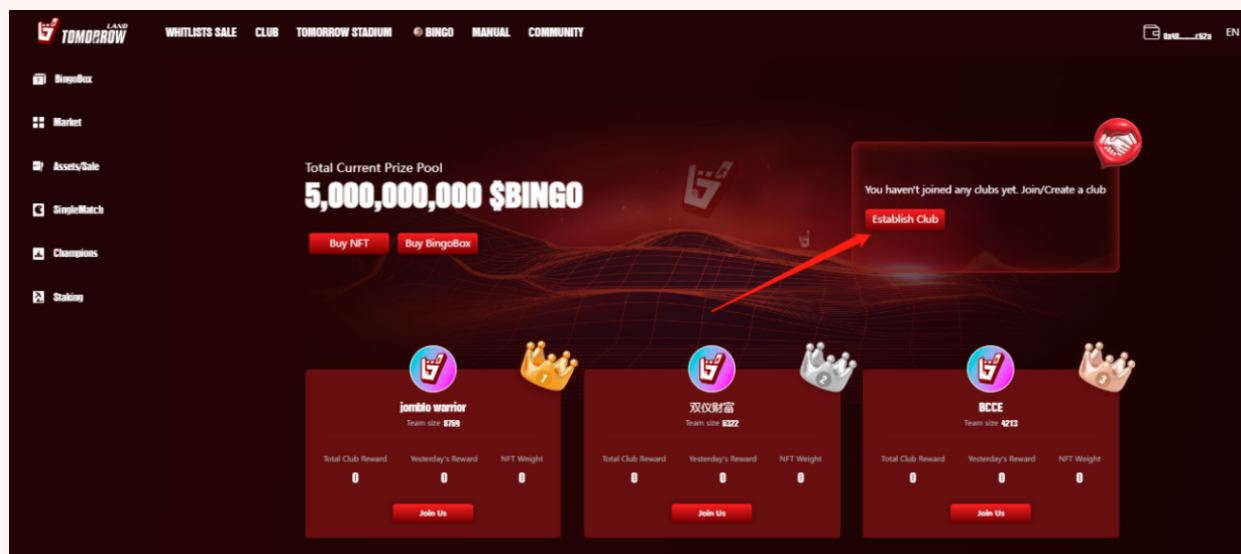

Players can gather teams and stake their rankings during the Qatar World Cup. In the end, the platform will distribute rewards evenly according to the total number of qualifying teams pledged on the entire network. Players can collect a full team by purchasing Bingo boxes or trading NFT cards on the secondary market.

4. Club

Players can create their own clubs in Tomorrowland and invite friends to join them. If the club you created ranks in the top 200, you can get 5% token airdrop (the airdrop will be released in one year). (Note: The reward is only given to the club manager. Users need to consume 27 NFT cards of any quality to receive the reward. The consumption only happens once, and subsequent collection does not need to consume the card again). The ranking of the club is determined by the weight of the quality of the NFT cards of all members in the club.
